# Characters

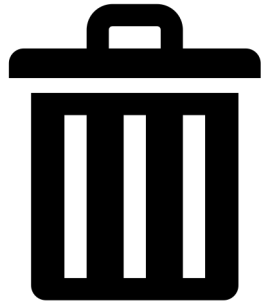

Lost in the Dark Uncharnted Forest

Episode 4

# What are characters?

The people, animals or other critters that do and say things in a story.

What would a story be without characters?

**BORING!**

# The Main Character

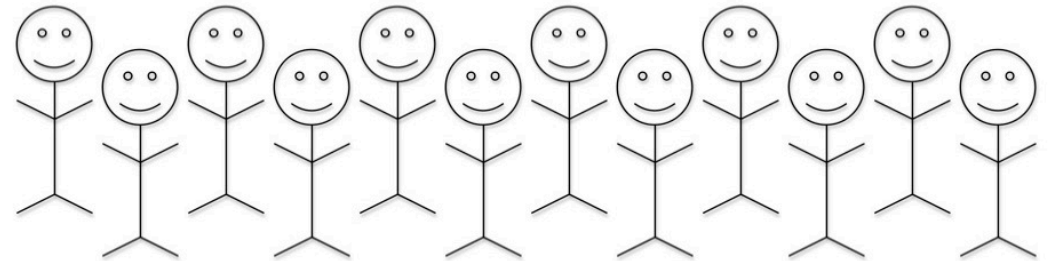

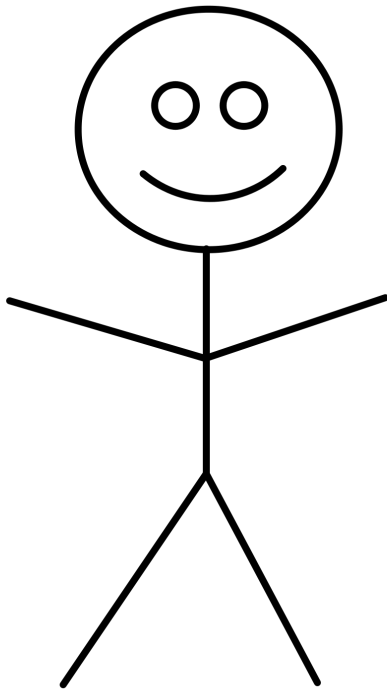

- This is the character that the story is mostly about.
  - In some stories, there is one main character.
  - In other stories, there is more than one main character.

# Main Character

Does Lost in the Uncharted Forest have one main character or many?

## Character Traits

- Some traits are physical.
  - We call these EXTERNAL traits.
    - We can see them on the outside.
  - Characters have different EXTERNAL traits.
    - Traits are things about the character.
- In this image we can see the EXTERNAL traits of Hank, Drover and JT Cluck.
  - JT has light brown feathers.
  - Drover has white fur
  - Hank has brown fur.

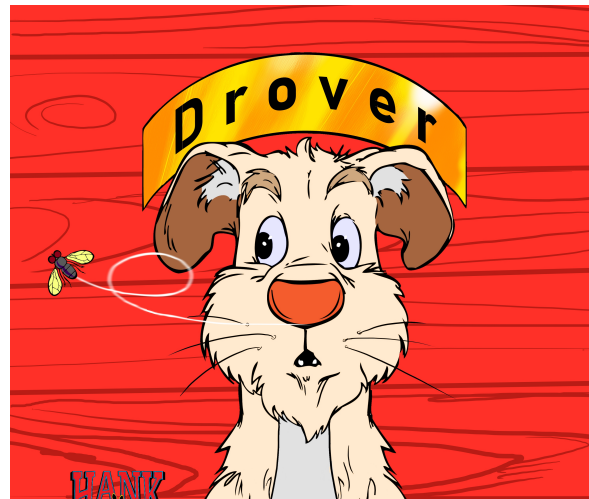

What other EXTERNAL traits do you see?

## Character Traits

- Some traits are about the character's personality.
  - We call these INTERNAL traits.
  - These are traits on the inside.

In the podcast what INTERNAL TRAITS have we heard about Hank and Drover.

- Drover is afraid of danger.
- Hank is brave.

Afraid

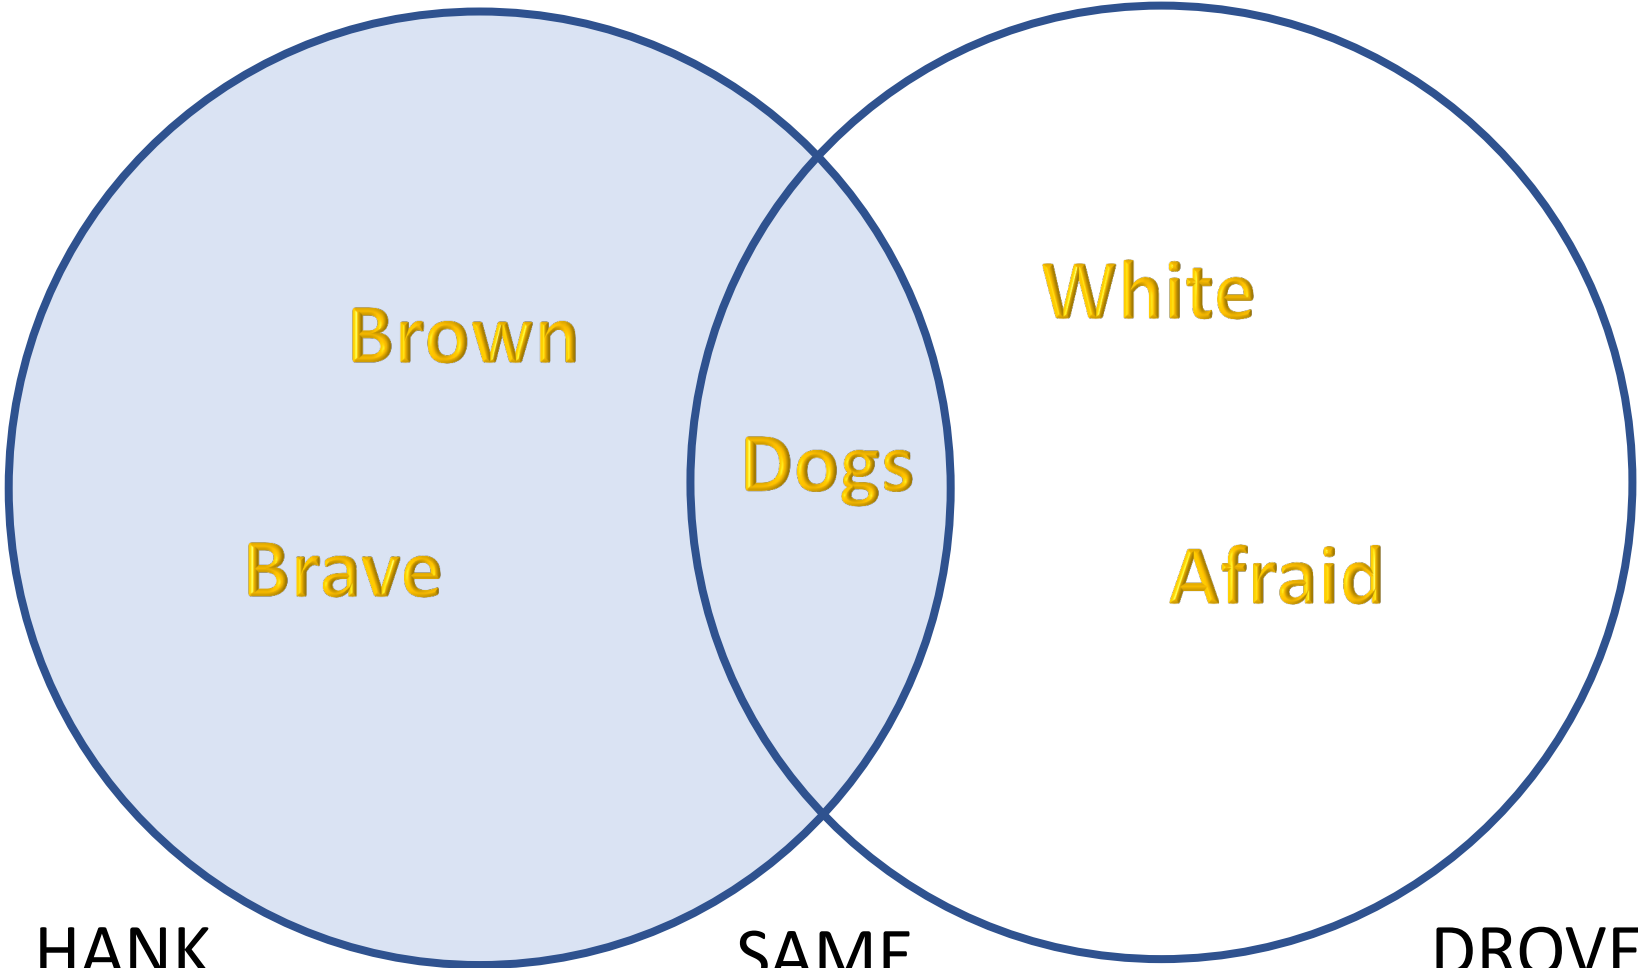

Brave

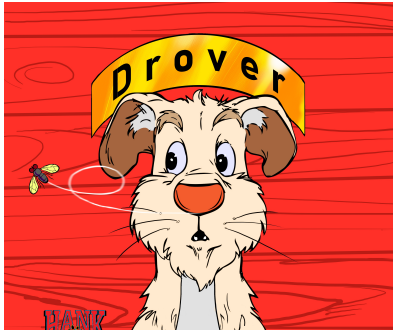

Can you think of more INTERNAL traits for Hank and Drover?

Let's compare and contrast traits!  
Can you think of some traits to list?

HANK

SAME

DROVER

# Static vs Dynamic

Some  
characters  
are  
dynamic.

---

That means they  
change during the  
story.

---

Some  
characters  
are static.

---

That means they  
stay the same during  
the whole story.

---

Can you think of a character that has changed in *Lost in the Dark Uncharnted Forest*?
